

**ECLIPSE GROUP, INC. AWARDED
Operational Support Services for Ocean Testing Contract**

For Immediate Release – April 11, 2013

Newport, R.I. –Eclipse Group, Inc. (EGI) announced today the award of a 3-year, \$22,879,990 cost-plus-fixed-fee, indefinite-delivery/indefinite-quantity contract for operational and logistics support for ocean testing and related at sea projects. The Naval Undersea Warfare Center Division, Newport, RI. (NUWCDIVNPT) awarded the “Operational Support Services for Ocean Testing” Contract under contract number N66604-13-D-3001.

Under this contract EGI will provide operational and logistic support for NUWCDIVNPT at-sea missions. The scope of work to be performed under this contract includes the provision of operations personnel and specialized equipment and services which include remotely operated vehicles, diving services, aircraft support, specialized mobilization equipment and vessels and provisioning in support of open ocean sea tests.

Joan Saint Amour, President of Eclipse Group, Inc. stated *“Eclipse Group is proud to be selected as a contractor to the Naval Undersea Warfare Center Division, Newport, RI. (NUWCDIVNPT). EGI is committed to providing quality and value in the performance of our services under this contract”*.
